MO HIT Assistance Center

Missouri’s Federally-designated Regional Extension Center

- University of Missouri:
  - Department of Health Management and Informatics
  - Center for Health Policy
  - Department of Family and Community Medicine
  - Missouri School of Journalism

- Partners:
  - EHR Pathway
  - Hospital Industry Data Institute (Critical Access Hospitals)
  - Missouri Primary Care Association
  - Missouri Telehealth Network
  - Primaris
What is our role?

- For providers who do not have a certified EHR system - We help you choose and implement one in your office.

- For providers who already have a system - We help eligible providers meet the Medicare or Medicaid criteria for incentive payments.
MO HIT Assistance Center Now Serves Large Practices & Specialists

- Contact MO HIT Assistance Center for details and pricing
CME & AOA Credit Now Available

- Instructions provided after today’s presentation
Disclosures

- The Office of Continuing Education, School of Medicine, University of Missouri is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

- The Office of Continuing Education, School of Medicine, University of Missouri designates this live Internet educational activity for a maximum of one AMA PRA Category 1 Credit™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

The learning objectives of this live Internet educational activity are:

- Choose an appropriate electronic health record for the practice, create a change team, redesign practice workflow and successfully implement transition to electronic records.
- Appropriately track quality measures in electronic health records and to create accurate reports of quality indicators; physicians will understand how to use indicators to improve patient outcomes.
- Identify potential privacy and security issues in individual practices that are utilizing electronic health records and provide tools for practices to use to assess their security measures to see if they are appropriate.
- Measure and track the way individual practices are reporting on the meaningful use requirements in the federal HI Tech Act; understand additional clinical reporting requirements contained in meaningful use phases two and three.
- Appropriately design and implement patient portals for patients to access their health care information and learn how to better take care of their health conditions.

The planning members and presenter for this activity have no commercial relationships to disclose.

This regional extension center is funded through an award from the Office of the National Coordinator for Health Information Technology, Department of Health and Human Services Award Number 90RC0039/01.

Cerner and the University of Missouri Health System have an independent strategic alliance to provide unique support for the Tiger Institute for Health Innovation, a collaborative venture to promote innovative health care solutions to drive down cost and dramatically increase quality of care for the state of Missouri. The Missouri Health Information Technology Assistance Center at the University of Missouri, however, is vendor neutral in its support of the adoption and implementation of EMRs by health care providers in Missouri as they move toward meaningful use.
